

SMART FLOOR

Woodessence Collection

R4ME Woodessence Brown 10x70cm - RD9Z Brick Glossy Beige 10x30cm

Woodessence

The naturalness of wood finds in Woodessence a simple, welcoming form, designed for spaces with a warm, everyday character. The collection comes in Beige, Brown, Grey, Walnut and Honey, in the 10x70 size. The surfaces recall different wood species with a balanced sign, able to accompany floors with a sober, versatile image. Ideal for residential and contract settings, it brings visual comfort and a natural presence to spaces.

Technical Characteristics

-  Frost proof
-  Resistance deep abrasion

Destinazioni d'uso

D	Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.	G	Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.
E	Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.	H	Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.
F	Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.		

Color variations

V0	Monochromatic - V0: tiles of the same shade are very uniform, in just one colour	V3	Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material
V1	Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run	V4	Substantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
V2	Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run
