RCYW Viaggi Ivory 15x15cm - RCZ4 Viaggi Ivory 15x30cm

Viaggi

A story of matter and intimacy takes shape in Viaggi, a porcelain stoneware collection designed for warm, timeless atmospheres. The range comes in Sand, Ivory, Cotto, Pomice, Nickel and Lead, in 15x30 and 15x15 sizes. The surfaces evoke a balance between nature and design, with details that bring character to spaces. Also suitable for outdoor use, it is available in 20 mm for exterior spaces, where continuity and welcome become landscape.

RCZ3 Viaggi Cotto 15x30cm

RCZ1 Viaggi Pomice 15x15cm

Porcelain Stoneware

Cotto

Technical Characteristics

-  Frost proof
-  Resistance deep abrasion

Destinazioni d'uso

- D**
Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.
- E**
Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.
- F**
Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

Color variations

- V0**
Monochromatic - V0: tiles of the same shade are very uniform, in just one colour
- V1**
Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run
- V2**
Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

- G**
Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.
- H**
Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.
- V3**
Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material
- V4**
Ubstantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
