Treverkdear

Treverkdear draws inspiration from large oak planks marked by time and returns a lived-in, warm, enveloping look. The wood-look porcelain stoneware collection comes in the 20x120 size and in the Beige, Brown, and Natural colors. Its rich graphics enhance the material and make spaces welcoming and authentic. Also available as a 20 mm version for outdoors, it ensures visual continuity across residential and commercial projects between indoors and out, with warmth.
