

WOOD LOOK

# Treverkever

MARAZZI

# Treverkever

Inspired by the natural versatility of wood, Treverkever is a porcelain stoneware collection with a wood look, designed for residential and commercial settings with varied styles. The 20x120 cm size comes in Sand, Natural, Ash, Clove and Musk, expanding the range with coordinated solutions. Its surface combines visual continuity and design practicality, adapting with balance to homes, shops, hospitality venues and diverse contract interiors with ease daily.

# Legenda

## Destinazioni d'uso

**D**  
Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.

**E**  
Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.

**F**  
Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

**G**  
Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.

**H**  
Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.

## Variazioni cromatiche

**V0**  
Monochromatic - V0: tiles of the same shade are very uniform, in just one colour

**V1**  
Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run

**V2**  
Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

**V3**  
Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material

**V4**  
Substantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
