

WOOD LOOK

Treverkhome

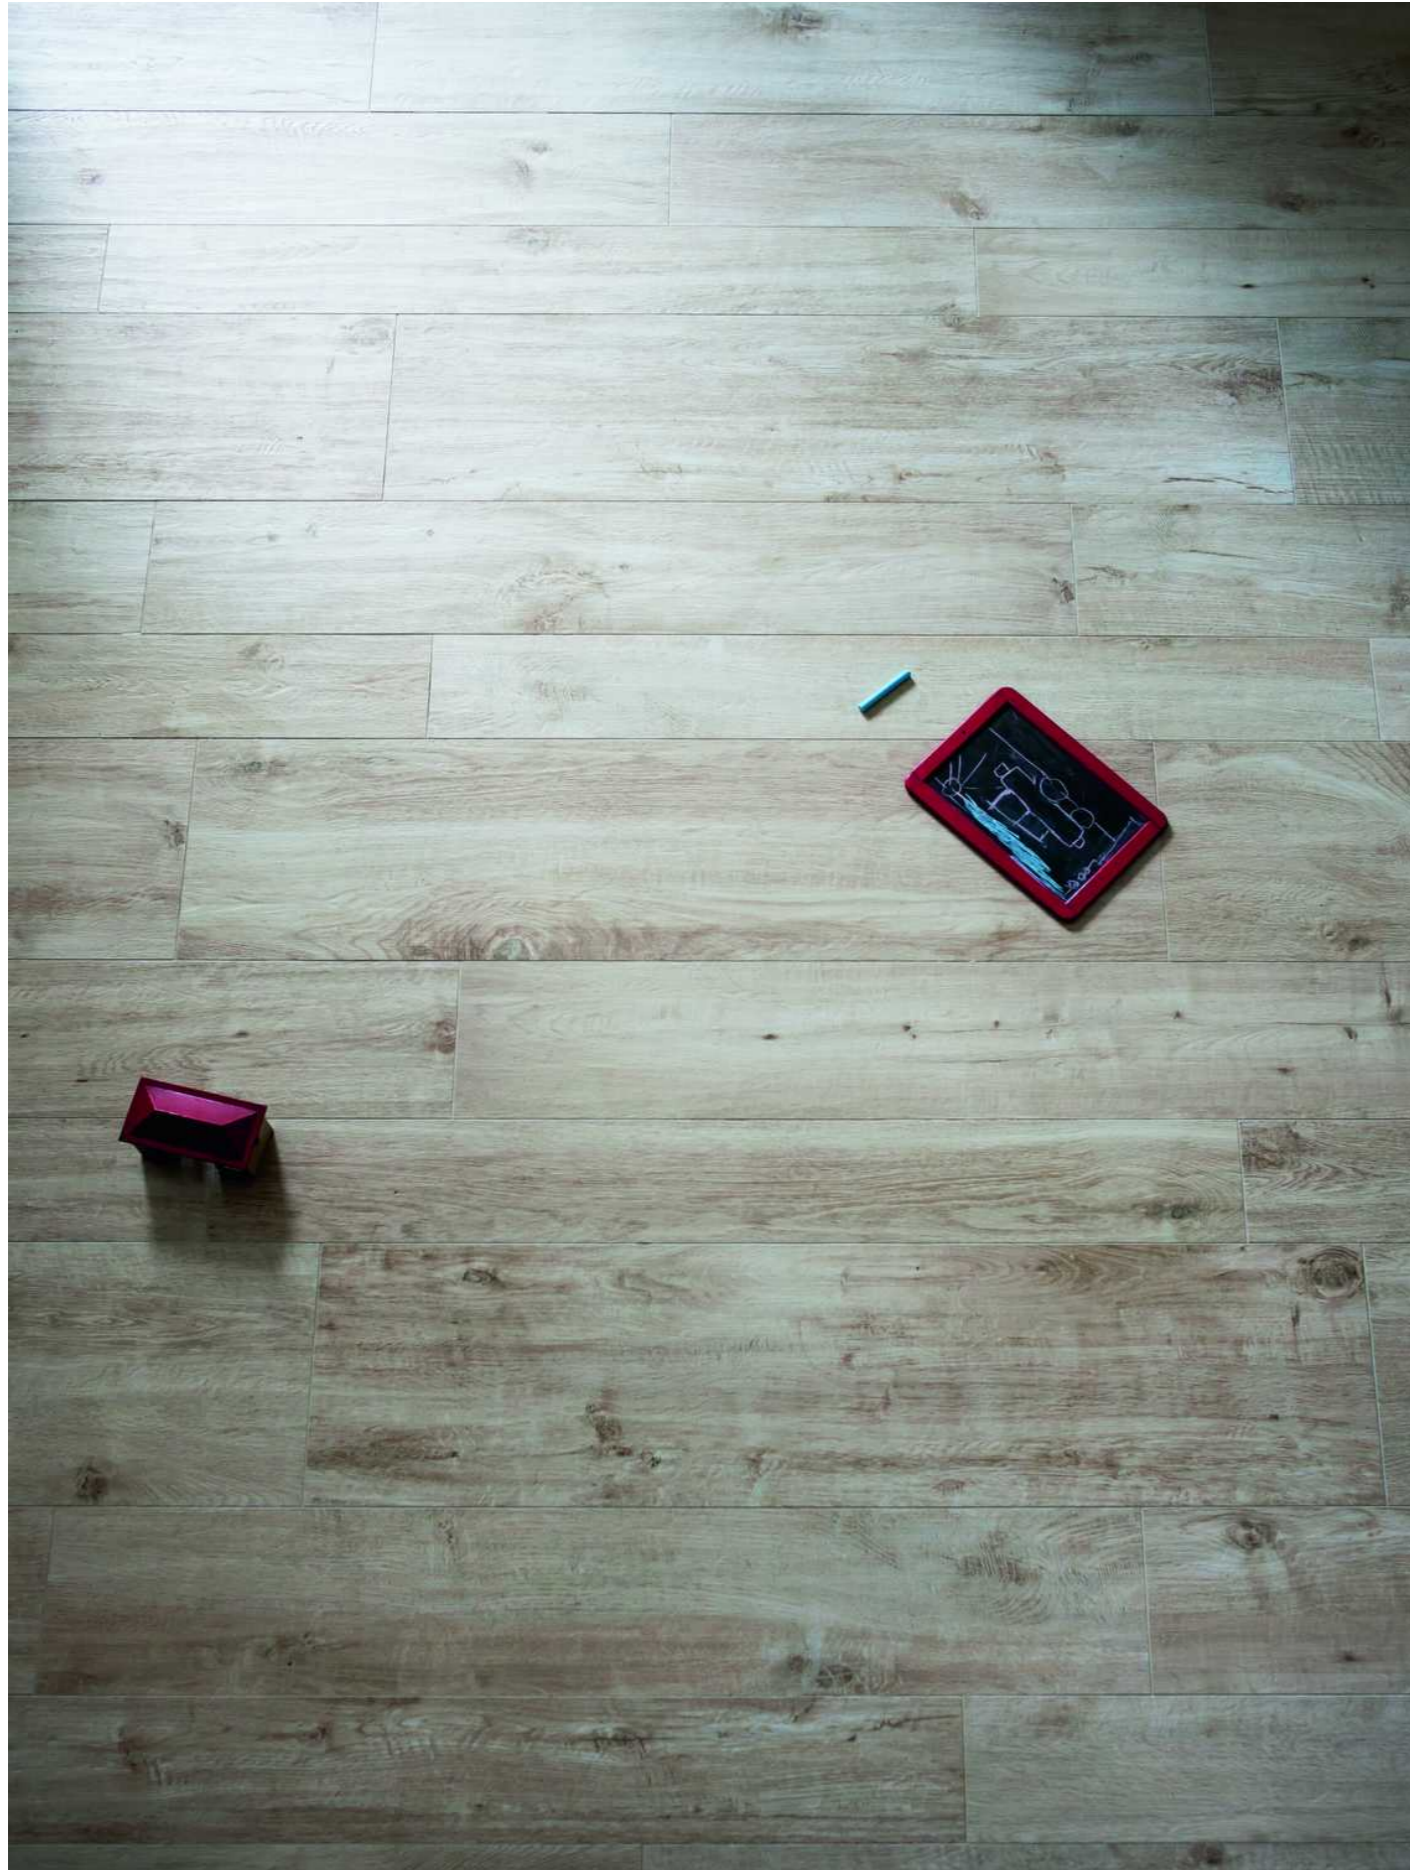

MARAZZI

Treverkhome

Inspired by the authentic warmth of wood, Treverkhome is a wood-look porcelain stoneware collection with a natural, timeless character. It comes in Larice, Olmo, Betulla, Rovere, Castagno, Quercia, Acero and Frassino, in 30x120, 15x120 and 20x120 sizes, with a matching 5x5 mosaic. Also available in a 20 mm version for outdoor use, it ensures continuity between indoor and outdoor areas in residential and commercial projects, with elegance and lasting durability.

Legenda

Destinazioni d'uso

D
Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.

E
Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.

F
Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

G
Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.

H
Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.

Variazioni cromatiche

V0
Monochromatic - V0: tiles of the same shade are very uniform, in just one colour

V1
Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run

V2
Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

V3
Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material

V4
Substantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
