# Mystone Quarzite

Like light through stone, Mystone Quarzite is a porcelain stoneware collection that reinterprets black quartzite with an intense and multifaceted character. Available in Ghiaccio, Black, Beige and Platinum, it comes in 60x60, 30x60, 60x120 and 30x120 sizes. The 5x5, Muretto and Preinciso mosaics enrich the surface, while the Tecnico finish enhances material richness, performance and visual continuity, including in contemporary outdoor spaces with refined appeal.

# Legenda

## Destinazioni d'uso

**D**  
Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.

**E**  
Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.

**F**  
Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

**G**  
Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.

**H**  
Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.

## Variazioni cromatiche

**V0**  
Monochromatic - V0: tiles of the same shade are very uniform, in just one colour

**V1**  
Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run

**V2**  
Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

**V3**  
Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material

**V4**  
Substantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
